

GENERAL UNIT INFORMATION, RULES & TIPS

- Please DO NOT FEED the Raccoons or Seagulls.
- DO NOT rearrange the furniture, as it may cause unnecessary damage to the carpet and flooring. There will also be an added fee for maintenance staff to put it back in its proper setting.
- Please only hand wash the knives from the cutlery block. DO NOT put in the dishwasher.
- Winter season occupants please keep the kitchen sink cupboard doors open at night when freezing temperatures are expected. Leave them open when departing the unit with the thermostats placed at 50 degrees.
- Please use only a damp cloth to clean the sofas. NO soap.
- Please extinguish all fires in the fireplace before departing the unit at any time.
- Do not put dishwasher tabs in to the soap dispenser. Place them directly into the bottom of the dishwasher for best results.
- Window blind instructions: Do not pull the blinds all the way up tight, as it may cause damage.

THANK YOU,
